NEWSLETTER

1. WELCOME TO TERM TWO ACADEMIC YEAR (2026)

Midrand Primary School welcomes you to Term Two academic year. We hope that you had a restful Easter recess. We look forward to working with you in shaping the future of our children/learners. Parental involvement is indeed critical to the success of any learner. All the best for Term Two!

2. UNCOLLECTED REPORT CARDS

According to National Protocol for Assessment Grades R – 12, it is a legislative requirement that every learner should be given feedback on their academic performance. It is regrettable that some learners have not yet received this feedback because their report cards were not collected by their parents/guardians. Kindly fetch uncollected report cards the soonest, so that you may have a meaningful engagement with teachers on parents' evening day.

3. EXIT & AFTER SCHOOL PROCEDURE FROM TERM 2 2026

To ensure a secure school environment, the school has started implementing a new exit protocol effective from yesterday, the 8th of April 2026. All learners are required to have left the school premises by 14:30 at the latest, unless they are officially enrolled in scheduled extra-mural or other supervised sporting activities. After this time, there will be no staff members or security guards on duty to supervise learners who have not been collected. Please be advised that the school gates will be locked at 14:30, and learners will wait outside the school gates. If you are unable to collect your child by 14:30, please make arrangements with the aftercare centers in the area that can ensure the safety of your child. We thank you for your continued support in keeping our children safe and our school environment secure.

4. COMPULSORY PARENTS' EVENING - TERM 2 2026

Parents and guardians are invited to attend the Term two COMPULSORY Parents' Evening that will be held on the 16th of April 2026, strictly from 16:00 - 18:00 (no late comers). Parents will have the opportunity to view learners' Term one assessments and set academic targets for Term two. **No report cards will be shown to parents on the day.** Parents will also have the opportunity to discuss academic results with subject educators as well as view learners' cumulative defaults/demerits and merits. Parents will also view learners' books, although this must also be done at home on a daily basis. At least one parent/guardian must attend this important meeting.

5. COMPULSORY ADHERENCE TO THE SCHOOL CODE OF CONDUCT

We implore all parents, guardians and learners to peruse through the school Code of Conduct (COC) which is located in learners' compulsory school diary. The COC, which is adopted by the SGB, regulates rules, protocols and procedures that all registered learners and parents must adhere to. These include uniform standards, behavioural standards, homework checking, and what learners are generally allowed to do or bring to school. As an admitted learner and parent at the school, the COC is legislated and mandated in alignment with various educational and South African laws. Therefore, its adherence by learners and parents is a **compulsory obligation**. All learners and parents are therefore required to know the contents of the COC and abide by its statutes. We thank you for your compliance in this regard.

Vision: Education for life

Mission: To provide education for life in an environment that promotes creativity and critical reasoning by encouraging learners to reach their ultimate self-actualisation

6. PROCESS FOR PAYMENT OF SCHOOL PHOTOGRAPHS

Parents/guardians and learners are hereby informed that learners will receive a sample package which contains information about the ordering and payment process to be done directly with the photography company. Samples will be sent in Term 2.

7. FANTASIA

We are excited to announce that our annual Fantasia will take place on the 15th of May 2026. There will be a host of fun rides, activities and entertainment for our learners to enjoy. The entrance fee is R110, payable on the Karri App. No cash will be accepted at school for Fantasia entry. However, you may give pocket money for your child/ward on the day. We look forward to enjoying this fun-filled day with our learners.

8. MANAGEMENT OF SCREEN TIME FOR CHILDREN

It has become apparent that most learners are victims of spending too much time on their technological tools like cell phones and television. It has been scientifically proven that spending too much time on cell phones and television may lead to a condition where they cannot sleep properly - this is because of serotonin-melatonin effect. It is therefore important to limit screen time for children, otherwise it negatively impacts on their academic performance.

9. UNCOLLECTED LOST AND FOUND ITEMS

Parents and guardians are urgently requested to visit the lost and found section in the school. All uncollected items will be disposed of at the end of the term. We implore parents/guardians to come and search for their child's missing item/s.

10. SCHOOL FEES

Midrand Primary school is a Quintile 5 school, which means that it is a **fee-paying school**. All parents are requested to ensure that their school fees account is up to date. School fees can be paid at the school's finance office using debit or credit card or by direct deposit into the school's bank account. **No cash will be accepted.**
