IMPORTANT:

- # Please ensure that stationery and books are of good quality.
 - Poor quality stationery cracks/breaks easily and poor-quality books pages tear easily when learners erase errors made during written tasks.
- # Please supply Staedtler/ Faber Castell/ Croxley brands only or brands specified on the stationery list.
- # Please ensure that all stationery items and books for **Term 1** are dropped off at school. (Date and learner's class will be communicated during GR.1 Orientation.)
 - Stationery and books will already be used on the first day of school.
 - NO child will be allowed to share stationery.
- # Please adhere to the Term 2: Second batch date for stationery to be sent to school. Teachers must prepare learners stationery boxes and handing out of new stationery when Term 2 commences.
- # Please ensure that each item of clothing and stationery is marked **individually**. Please mark each pencil, each crayon, each Pritt and each puzzle piece.
 - This helps the child to identify his/her belongings easily.
