Proof of Concept (POC) Agreement

1. Equipment Provided

Description and Model

Serial Number

The goal of this Proof of Concept (POC) is to allow the customer to test the equipment and evaluate its suitability as a solution and partner before making any commitment.

The POC will run for a total duration of _____ (DAYS). During this time, the customer assumes full responsibility for the equipment and is liable for any loss or damage. The equipment must be returned to Seartec in good condition at the end of the POC period. Failure to do so will result in the customer being liable for the full replacement value of the equipment. During the POC, Seartec will provide consumables (excluding paper), maintenance, and support.

The cost per copy rate of R_____ (Mono) and R_____ (Colour) will be invoiced at the end of the POC. The customer agrees to pay this invoiced amount to Seartec for the copies made.

6. Acceptance

By signing below, both parties accept the terms of this agreement.
