Intersen Phase Parents' Evening (Grades 4-7) will take place on the 06th of August 2026 strictly from 16:00-18:00. This is due to competing priorities. Parents will have the opportunity to view learners' assessments, to see/discuss cumulative defaults, to set academic targets for Term 3 as well as to discuss their child's performance with subject teachers. It is vital for at least one parent/guardian to attend this important meeting. We thank you for your co-operation.

5. CLOSURE OF UNIFORM SHOP

Parents and guardians are hereby informed that the uniform shop will be closed on Friday, 26 June 2026. The finance department will be assisting parents in the school hall with school fee payments. We apologize for any inconvenience caused.

6. 2027 STATIONERY REQUIREMENTS

Parents and guardians are reminded that the purchasing of learner stationery and exercise books for the 2027 academic year is solely the responsibility of parents/guardians as per the Parents' meeting resolution taken this year. Therefore, the 2027 stationery list will be shared in Term 3 to allow sufficient preparation time. **We emphasize that this is being done to ensure that ALL learner stationery requirements are met so that teaching and learning can effectively commence on day one of the 2027 academic year.** We thank our parents/guardians in advance for their co-operation in this regard.

7. LEARNER SAFETY: SERIOUS CONCERN REGARDING THE USE OF THE PARKING BAYS

Parents, guardians and transport operators are **strongly warned** against parking on the curb when dropping off or fetching learners. A serious accident was caused by this parking proclivity today. Parents, guardians and transport operators **MUST PARK IN THE PARKING BAYS PROVIDED**. This is to ensure and maintain learner safety. Failure to do so will result in being reported to the Metro Police.

8. LEARNER SAFETY: CLOSURE OF KAREE STREET GATE AT 07:30 DAILY

Parents, guardians and transport operators are reminded that the Karee street entrance is locked at 07:30 sharp in the morning. Although late coming is not tolerated, if learners are dropped off late for an unforeseen valid reason, they **must be brought to the Poplar street main/reception entrance**. Some Foundation Phase and Intersen Phase learners are consistently being dropped off at the Karee street entrance long after it has been locked. This is dangerous and negligent. We expect parents, guardians and transport operators to co-operate in ensuring our learners are dropped off safely.

10. TERM 2 SPORTS RESULTS

We have reached the end of our term 2 season. We are thrilled to share some outstanding highlights throughout the season, we would like to also take this opportunity to thank all learners, coaches and parents for their commitment and sportsmanship.

10.1 SOCCER BOYS/GIRLS:

The soccer season has been challenging! The players participated in exciting and competitive matches, where they demonstrated discipline and perseverance. We would like to congratulate the U12 team for reaching the 3rd round for Discovery Knock-Out Cup, led by Mr. Absalon.

10.2 NETBALL:

The netball season has been tricky, due to the weather disturbance and private schools' academic calendar. The netball girls still managed to play a few matches and they won. The U12 and U13 team qualified for play-offs, however did not make it through to the final round. The learners participated with pride and positive attitude! Well done Mrs. Zono and Mr. Sithole, who led both teams.

10.3 MINI-NETBALL:

We would like to celebrate a truly successful and memorable season! Our little players have grown both in skill and confidence, producing great results. Team A only lost 2 matches and Team B won all their matches throughout the season. A heartfelt thank you to the coaches, Ms. Gumede, Mrs. Stokes-Thubakale and one of our former learners, Rati Moropa.

10.4 GYMNASTIC ARTISTIC FESTIVAL RESULTS:

We are incredibly proud of the passion that the learners have shown towards artistic gymnastics. The practice hours have finally paid off! The team accumulated 2 bronze, 1 silver, and 8 gold medals. Congratulations to Kurhula Ndukulu for scoring the highest on vault and floor and in addition, came first

overall. Tinyiko Mbhalati scored the highest on floor and positioned 2nd overall, missing the 1st spot with just a few points. Siphesihle Mgaga positioned 4th overall, what a huge improvement from the previous competitions. Karabo Morris is positioned 7th overall and Rorisang Rafout positioned 9th overall. All the above gymnasts/learners were competing against over 40 participants. The biggest thank you to learners, parents and the coach's commitment.

We sincerely appreciate all our athletes and their coaches, wishing them all the best for Term 3!
